**Re: ITB 2017-046 - Provision of Scientific Equipment / NOA Dated May 10, 2017**

Dear Madam,

We have received the Notice of Award for the Provision of Scientific Equipment, a public bidding opened on March 29, 2017 at the PSHS-CVC Conference Room. However, we regretfully inform your good office that not all of the items will be served and provided in time of delivery. This is due to the fact that my offer for Item No. 13 VACUUM OVEN SET was a mistake. I failed to include the Vacuum Pump for the Oven and quoted the Oven alone. Thus, my price was too low during the Opening of Bids.

In this connection, we would like to **file a waiver** not to serve the item **Biobase\* Vacuum Oven Set**. We choose to file a waiver because PSHS cannot still use the item without the Vacuum Pump. We can only serve the following items in good terms and conditions;

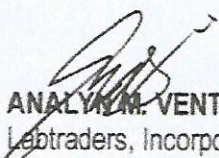

- **Flammable Storage Cabinet**
- **DO Meter**

We are very much sorry for the inconvenience our company has caused you.

Thank you for patronizing our products and we look forward for more productive transactions ahead.

God bless!

Very truly yours,
